

JOB OPPORTUNITY – BSc or MSc, SPECIALIZED IN SUSTAINABILITY PROJECTS

1. DESCRIPTION OF THE ORGANIZATION

Research, training and international projects center specialized in logistics, transport and ports. It is a non-profit private organization, with 50 employees located in Valencia (Spain).

2. DESCRIPTION OF THE JOB

We are looking for a graduate with a technical or scientific degree, to join a multi-skilled team specialized in R&D, innovation and consultancy projects in the field of transport. More precisely, experience in some of the following topics will be valued:

- Improvement of energy efficiency
- Green energy production and storage
- Green mobility
- Emissions measurement from fixed and mobile sources
- Circular economy
- Carbon footprint and LCA
- Consultancy projects in the transport and logistics sector
- EU funded projects

3. SELECTION CRITERIA

- BSc, MSc and PhD will be recognized
- 3+ years of experience in the above listed fields; experience in the field of logistics, transport and ports will be highly recognized
- Fluent in English (excellent speaking and writing skills)
- Good communication skills, both oral and written
- Excellent teamwork skills
- Availability to travel, once the current pandemic crisis is over

4. CONDITIONS

- Full time permanent employment contract.
- Negotiable economic conditions, depending on qualification and experience of the candidate.

Interested candidates please send us your CV and letter of motivation, in English, by e- mail to personas@fundacion.valenciaport.com
