

JOB OPPORTUNITY – BSc or MSc, SPECIALIZED IN PORTS, SHIPPING AND LOGISTICS

1. DESCRIPTION OF THE ORGANIZATION

Fundación Valenciaport is a non-profit private organization, with more than 60 employees, located in Valencia (Spain), that provides services to the port and logistics cluster. It is an Applied Research, Innovation, Training and International Cooperation centre dedicated to the design, implementation and execution of R&D&I and consultancy projects specialized in logistics, transport and ports, aimed at improving the competitiveness of companies and institutions in the port logistics sector.

2. DESCRIPTION OF THE JOB

We are looking for a graduate with a technical or scientific degree, to join a multi-skilled team specialized in R&D, innovation and consultancy projects in the field of transport, logistics and ports. More precisely, the following activities are foreseen:

- › Participation in research and innovation projects from different programmes (H2020, Horizon Europe, CEF, Interreg, National and regional programmes).
- › Participation in ports, transport and logistics consultancy projects acting as a functional analyst, defining functionalities and gathering customer requirements. You will define together with the technical team the technological solution that adapts to the requirements and prepare the documentation for the client's approval and to transfer it to the technical team in charge of developing the solution.

3. SELECTION CRITERIA

- › BSc or MSc. (PhD will be recognised).
- › 5+ years of experience in logistics, maritime transport and ports related companies (working mainly on project management, process improvement, digitalisation or innovation).
- › Specific training in ports, transport and logistics will be recognised.
- › Specific knowledge of Port Community Systems (PCS), Port Management Systems (PMS) or Single Windows systems will be recognised.
- › Experience in agile, lean, operations, systems and project management methodologies will be recognised.
- › Fluent in English (excellent speaking and writing skills).
- › Good communication skills, both oral and written.
- › Excellent teamwork skills.
- › Availability to travel

4. CONDITIONS

- › Full time employment contract.
- › Salary based on qualifications, skills, specialisation and experience of the candidate.
- › Flexibility & autonomy depending on coordination and projects.
- › Friendly team & collaborative environment. Innovative projects.
- › Additional benefits and bonuses.
- › Sponsored training according projects.

Interested candidates please send us your CV and letter of motivation, in English, by e- mail to personas@fundacion.valenciaport.com
