JOB OPPORTUNITY
DIGITAL TRANSFORMATION ENGINEER

1. DESCRIPTION OF THE ORGANIZATION

FUNDACIÓN VALENCIAPORT is a non-profit private organization, with more than 60 employees, located in Valencia (Spain), that provides services to the port and logistics cluster. It is an Applied Research, Innovation, Training and International Cooperation centre dedicated to the design, implementation and execution of R&D&I and consultancy projects specialized in logistics, transport and ports, aimed at improving the competitiveness of companies and institutions in the port logistics sector.

2. DESCRIPTION OF THE JOB

We are looking for a graduate in Computer Science or Software Engineering, or equivalent, to join a multidisciplinary team specialized in R&D, innovation and consulting projects in the field of Digital Transformation in transport, logistics and ports. More specifically, in the following activities:

– Python programming language, and Numpy, Pandas libraries.
– Exploratory data analysis techniques.
– Structured Query Languages (SQL).
– Integration through API-REST communication systems.

3. SELECTION CRITERIA

– 2 years of experience in the above listed fields; experience with ML libraries (Pytorh, TensorFlow, Scikit-learn), knowledge in Computer Vision libraries and knowledge in Elastic and Kibana will be highly valued.
– Fluent in English (excellent speaking and writing skills).
– Good communication skills, both oral and written.
– Excellent teamwork skills.
– Availability to travel.

4. CONDITIONS

– Full time employment contract.
– Salary based on qualifications, skills, specialisation and experience of the candidate.
– Flexibility & autonomy depending on coordination and projects.
– Friendly team & collaborative environment. Innovative projects.
– Additional benefits and bonuses.
– Sponsored training according projects.

Interested candidates please send us your CV and letter of motivation, in English, by e- mail to personas@fundacion.valenciaport.com

The submission of the application implies the acceptance of the privacy policy.
